MADHYABINDU MULTIPLE CAMPUS

KAWASOTI, Nawalparasi

Editorial Note....

We are gratified of ourselves to come up with the second volume of Madhyabindu Journal of Madhyabindu Multiple Campus. Madhyabindu journal of interdisciplinary studies is an annual, reviewed journal related with all aspects of social sciences, educational, literary, health, business and finance branches of research and it is published by Research Management Cell (RMC) of Madhyabindu Multiple Campus (MMC). The campus has been regularly publishing its annual report including overall academic performances and informations related to campus affairs. On the auspicious occasion of 10th anniversary cum parents' day, the campus also published souvenir including general activities and overall information of the campus. This second volume of journal is the result of current realization of delving into the favourable circumstances for research studies and professional development.

The present volume has included the research articles of multidisciplinary approaches of studies. The trustworthy of thoughts and views expressed in these articles solely lies to the authors themselves. It has been believed that this journal could augment professional advancement and behest the beginners to write and contribute in their respective fields of knowledge. The publication of this journal will be added extra one more brick though not perfect, towards the improval amendment in existent learning.

We would like to extend our sincere gratitude to University Grants Commission (UGC) of Nepal for continuous support for the overall academic performance of the campus as well as empowerment of RMC of Madhyabindu Multiple Campus. We also feel pleasure to express our gratitude to all the article writers for stipulating us academic and research based article for this second volume. We are indebted to MMC management committee for encouraging in search activities, allocating budget for this journal publication. Similarly, we are extremely thankful to Mukti Ram Pandey, the campus chief and all administrator for their inspiring, encouraging guidance and co-operation and overall support for this publication. Thanks are also due to the designers *Mr. Matrika Dhungana*, proprietor of *Nawalpur Offset Press*, for elegant design and contribution throughout the publication of this volume.
